

Le Blanc de **Monsieur Henri**

BORDEAUX

When he began in 1948, our grandfather, Henri Ducourt, produced a white wine with fresh fruit aromas and a touch of natural sweetness, which he distributed with great success.

For his 85th birthday, we wanted to commemorate him for the love of wine and entrepreneurial spirit that he has passed down to us, the successive Ducourt generations. As a tribute, the wine of his early days is back again.
