MILLÉSIME 2024

88 pts - Decanter magazine 2025

"There's a golden green colour to this aromatic, herbal offering. Flavours of celery, asparagus and white pepper wrap round a citrus pith acid line. A herbal element brings in intriguing food-match options."

Médaille d'Or Concours Anivin 2025

Gold Medal Concours Anivin 2022

88 pts – James Suckling 2025

"The balance of juicy fruit, yellow grapefruit aroma and citrusy acidity make this an attractive light- to medium-bodied dry white. Simple, but well-balanced finish. A cuvee of sauvignon blanc, colombard and the fungal-resistant souvignier gris grape. Drink now. Screw cap."

Best buy – Wine Enthusiast Magazine, 2025

"This wine is lively and fresh, with classic gooseberry and zesty lemon notes, complemented by a touch of verbena for a herbal lift. The acidity is bright, keeping it crisp and refreshing, while the moderate length leaves a clean, citrus-tinged finish."

MILLÉSIME 2023

89 pts – James Suckling 2024

"A light- to medium-bodied dry white with stacks of grapes, yellow grapefruit and a touch of nettle character. Very vibrant and zesty, but also well balanced and surprisingly long. This is a successful innovation. A 50-50 blend of sauvignon blanc and the fungus-resistant muscaris grape. Drink now."
