A SURPRISING DUO

When André met Léon, there was no indication that a great friendship would blossom. One spent his days tending his vines, the other waited for the right moment to pick the ripe grapes. Their shared passion for this iconic Bordeaux fruit brought them together: neighbours at first, they soon became inseparable. 'Best mates'!

A range of Bordeaux wines designed to reveal the characteristics of each grape variety.

CABERNET SAUVIGNON : The Classic

AOC Bordeaux

A grape variety that has become a true icon of Bordeaux.

On the palate: blackcurrant, green pepper, blond tobacco, and a long, elegant finish.

A wine with plenty of character, yet capable of showing a softer side.

MERLOT :

The Crowd Pleaser

AOC Bordeaux

Bordeaux's signature grape variety, André & Léon's Merlot is all about roundness and generosity.

On the palate: fruit-forward, smooth, and irresistibly charming, with notes of black cherry, plum, and a subtle hint of vanilla.

A wine that wins everyone over — even Léon, who usually prefers his fruit still hanging on the vine!

Perfect with: grilled meats, roast poultry, and mild cheeses.

The Refreshing one

AOC Bordeaux

A classic dry white from the Entre-deux-Mers, lively and thirst-quenching.

On the palate: bright citrus flavours, white flowers, and a subtle herbal note.
