"You could easily mistake this for a sauvignon blanc-based dry white Bordeaux, thanks to the aromas of elderflower and passion fruit with touches of lime peel and gooseberry. Very zesty on the bright, medium-bodied palate that has excellent energy through the crunchy finish, where some positive tannin adds weight. Still very young. A cuvee of the fungal-resistant varieties sauvignac and muscaris from organically grown grapes. Drink or hold."

Best buy – Wine Enthusiast Magazine, 2025

"Bright and aromatic, this white bursts with zesty citrus and vibrant gooseberry notes. A refreshing acidity keeps it lively, while hints of green apple and a touch of fresh herbs add depth. Crisp and clean, it concludes with a moderate but satisfying length."

"Stacks of fresh yellow and pink grapefruit character, including something that reminds me of the white pith of this fruit on the sleek, medium-bodied palate. Juicy and zesty with so much positive energy, this doesn't fit into any of the Bordeaux boxes, but that's how innovation happens. A cuvee of the fungal-resistant sauvignac and muscaris grapes grown in experimental plantings. From organically grown grapes. Drink or hold."

"High-pitched herbal and floral notes mark this white up front, while green peach and quince emerge midpalate and stay to the moderate finish."

MILLÉSIME 2022

90 pts – tasting by James Suckling, 2024

"Tasting blind, I would have instantly identified this as a good sauvignon blanc thanks to its passion fruit, lemon zest and gooseberry aromas. Nice juiciness on the crisp, citric medium-bodied palate. Good length, also thanks to a touch of tannin. A blend of 85% sauvignac and 15% muscaris, both fungus-resistant grapes. Sustainable. Drink or hold."

90 pts – Best Buy – Wine Enthusiast Magazine, 2023

"Pineapple meets white lilies on the nose of this fragrant white blend. This wine is refreshing, thanks to its citrus notes, bright acidity and light body. The long finish carries a floral note."

90 pts - Médaille d'Argent au Decanter World Wine Awards 2023

« Very pleasant and fresh, with notes of zesty grass, lemon sherbet, and white flowers. Fresh acidity, medium weight, with a touch of creaminess on the palate, with hints of honeydew melon on the finish."

MILLÉSIME 2020

91 pts – tasting by James Suckling, 2024

"Here's a prototypical dry white Bordeaux with a very attractive combination of creaminess, sauvignon-type herbal freshness and restrained tannins that nicely support the medium-bodied palate, particularly at the long, lemon-peel finish. A varietal wine from the sauvignac fungus-resistant grape. Sustainable. Drinkable now, but best from 2025."

MILLÉSIME 2019

93 pts – tasting by James Suckling, 2024

“Game-changer. This is an excellent dry white Bordeaux, and with some bottle-aged character it’s now impossible to tell that this is actually from the fungal-resistant sauvignac grape. Excellent depth of sauvignon-like herbal character and lemony freshness are married to good concentration and a salty minerality that drives the very long finish. Sustainable. Drink or hold.”

« Bouquet fruité et épicé, de bonne intensité. Notes de menthe poivrée, d'orties et de poivre blanc suivies de nuances d'agrumes. Caractère friand et juteux en bouche. Le vin est frais, salin et désaltérant. Finale fruitée. Maintenant. »

« Bouquet floral et fruité. Notes d'agrumes et de fruits jaunes. Attaque saline et juteuse. En bouche le vin a de la tension, de la fraîcheur. Un vin friand sapide et désaltérant. »

“A crisp citrus tone melds with perfumed fruit and a hint of steel in this bright white. This is one of a pair of wines from grapes developed in the Swiss Jura, Sauvignac is a cross between Sauvignon Blanc, Riesling and some unknown hybrids.” – Roger Voss
