ROUGE

MILLÉSIME 2023

91 pts – Tasting by James Suckling, 2024

"This cuvée of fungus-resistant varieties has aromas of licorice, bark, and rosemary. The striking palate shows wild berries and a solid tannin structure on the medium-bodied palate. Excellent balance of velvet tannins and touches of earthiness and bright acidity in the finish. From organically grown grapes. Drinkable now, but best from 2026."

Best Buy – Wine Enthusiast 2025

"This wine is dark and brooding, with an aromatic, perfumy profile that stands out. The prominent rose note adds a floral touch, while hints of ganache bring a richness to the palate."

MILLÉSIME 2022

90 pts – Tasting by James Suckling, 2024

"This youthful red Bordeaux is brimming with wild blackberry and elderberry aromas. Quite sleek with slightly sappy tannins on the barely medium-bodied palate, this is a unique wine for the region. Still very youthful, it should develop well with some bottle age. Long, vibrant finish. A cuvee of fungus-resistant varieties grown in experimental plantings. From organically grown grapes. Drinkable now, but best from 2026."
– Stuart Pigott

"Deeply colored and structured, this wine brings together bold dark-berry fruit with a firm tannic grip. Black currant, blackberry, and hints of black cherry are lifted by a fresh acidity that keeps it lively. Subtle earthy and graphite notes emerge on the finish."

MILLÉSIME 2020

90 pts – Tasting by James Suckling, 2024

"Explosive forest berry bouquet with a touch of grilled red bell peppers. Still youthful on the medium-bodied palate, where there's a fascinating interplay of slightly sappy tannins with savory and expressive elderberry fruit. This is a bit simple in the finish, but it also has stacks of fruit and good depth. A varietal wine from the fungus-resistant cabernet jura grape. Sustainable. Best from 2025".

91 pts - Best buy – Wine Enthusiast, 2023

"This wine opens with intriguing floral and herbal aromas. Complex on the palate, juicy flavors of ripe raspberries and blackberries accent a rich mouthfeel and soft tannins, with generous lift of acidity."

« Un peu sur la réduction au premier nez. Avec un peu d'air il révèle d'intenses notes florales. En bouche le vin est légèrement crémeux. Il est de type aérien et est bien soutenu par la fraîcheur de sa structure acide. Un vin agréable qui mérite encore un peu de garde. »

“Produced from a disease-resistant hybrid grape that originated in Switzerland, this wine is light. Aromatic and with red-cherry fruitiness, it has a juicy character. This softly textured wine is ready to drink.” – R.V.

« Belle robe sombre, reflets violacés. Nez racé mêlant fruits rouges, violette, épices fines, fond minéral. Bouche séduisante, succulente, élancée, tendue, dont le jus ample, soyeux et pur commence à s'épanouir. On quitte ici clairement les sentiers battus. »

« Elevage en cuve inox durant près d'un an. Bouquet intense marqué par des notes florales, fruitées et épicées. Attaque juteuse et friande. Les tannins sont souples, bien intégrés et offrent un bon fondement. Un vin charmant, équilibré que l'on pourra apprécier dans sa jeunesse. »
